

Challenge Brief: A call for SMMEs in the manufacturing / agricultural sectors that utilizes a lot of water and/ or energy to submit applications to be assisted with technologies that will improve their efficiencies (Solution seekers)

Closing date: 29 January 2025

Helpdesk: Oratile Mohlokoane | Phone: +27 (0) 12 844 0676 | Email: challenges@theinnovationhub.com

A subsidiary of the Gauteng Growth and Development Agency

GAUTENG PROVINCE
ECONOMIC DEVELOPMENT
REPUBLIC OF SOUTH AFRICA

Challenge owner: Gauteng Department of Economic Development (GDED) in collaboration with The Innovation Hub Management Company (TIHMC).

Business opportunity: This programme seeks to provide the SMMEs in the manufacturing/ agricultural sector that are energy and/or water intensive with green technologies which will improve their efficiencies, reduce operational costs & environmental footprint, and further enhance their global competitiveness.

Delivery timelines:

Implementation will resume in February to March 2025.

Challenge statement

The Gauteng Department of Economic Development (GDED) has launched a project titled “Resource Efficiency Programme for Small, Medium and Micro Enterprises (SMMEs)”. The project is aimed at supporting at least ten(10) SMMEs by funding or co-funding the installation of energy-efficient/water efficient and /or renewable energy technologies to improve their efficiencies.
