

ICT BUSINESS DEVELOPMENT AND FUNDING OPPORTUNITY

BUILD THE TECHNOLOGY | SCALE THE BUSINESS | FUND THE GROWTH.

Are you building innovative ICT solutions but need the business capability and funding to take your company to the next level?

A leading global company is inviting established South African ICT businesses to apply for a targeted business development programme delivered by Aurik Enterprise Development. Successful businesses will receive structured business development support to strengthen their strategy, systems, market positioning, operational capacity and readiness for sustainable growth.

WE ARE LOOKING FOR ICT BUSINESSES OPERATING IN ONE OR MORE OF THE FOLLOWING ICT CATEGORIES:

- **Software and Application Development**
- **ICT Hardware Supply and Infrastructure**
- **Cloud, Data and Emerging Technologies**
- **Cybersecurity, Networking and Managed ICT Services**

MINIMUM ELIGIBILITY CRITERIA

- Be a formally registered South African business operating in the ICT sector
- Generate annual turnover of at least R2 million and above (Less than R50mil)
- Have a proven operating history and an established customer base
- Have demonstrated technical expertise in at least one of the identified ICT categories
- Have a clear and scalable ICT product, service or solution
- Demonstrate growth potential and a clear need for business development support

WHY APPLY?

- Strengthen your business strategy and market positioning
- Improve financial management and funding readiness
- Improve operational capacity, processes and delivery systems
- Develop a scalable growth plan
- Interest-free loan funding to capacitate and grow the business
